DEAR SPONSER

My name is Patricia, Naiya from Olokuro Primary school was born 1995 at Olokuro division. I went to school and continue studying well before my mother died. She was employed by the government and she made sure that we are go to school and she pay for us school fees. She was the head of agriculture office before she died. She made sure that all of us studying well at school without any problem.

When my mother died my father started having me because my mother ^{and} she was the one who paid for us school fees. My father had not paid for us school fees even one day. When she pass my father did not wanted to know whether we are in school or not. He don't by anything for us. and she was have eight children and I am the fifth born. My ^{mother's} first born sister was in college but my father don't for pay for her school fees. but one of my relative volunteered to educate her. now she has finished but she ^{does} ~~has~~ not ^{have} any work also she is not married.

In two thousand and eight December my father wanted me to be circumscised which I can't accept it. I can also be married when I can circumscised. My sister and I go to the Police station, and the father arrested in one day and then when he came back he

told us I don't want to see you here again because from now you are not my children because you have reported me to the Police station and we go for three days and to a neighbour's house.

My father has another wife who has eight children but she still lives, our step mother hates us because we don't want to have a person to support us she doesn't want to see us resting and she doesn't want to see us inside her compound and my father is a drunker he drinks a lot of alcohol

and the headteacher of my school was helping me during the December two thousand and eight holiday told my sister to bring us to the town and Education office call MR. Njigi to pick us from town to safe house in Narok where I am living now in

your faithfully
