

Opportunity Fund for Developing Countries

2008 Annual Report

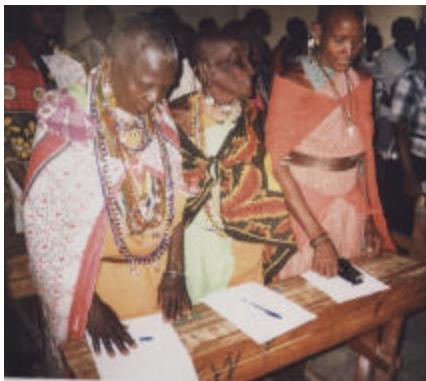

WHO? Our Mission: OFDC, a grassroots, volunteer-powered organization, empowers women through microcredit and training, educates children through school sponsorship and supplies, and enhances health for all through distribution of mosquito nets, and funds for the building of latrines, and water wells and catchments - all through village collaborative programs that are culturally sensitive.

WHY? Consider these statistics from the United Nations Development Program:

- 1 out of 3 people in the world lack basic sanitation
- 1 out of 6 people in the world cannot write their own name
- 1 out of 6 people in the world live on less than \$1 a day
- 1 out of 6 people in the world do not have access to clean water
- Every 30 seconds a child in Africa dies from malaria

WHAT/WHERE/WHEN/HOW? OFDC 2008 accomplishments in Kenya:

- **Empower Women:** 626 women received training in women’s rights according to the laws in Kenya. 10 microcredit loans given to impoverished women while we improve our microcredit infrastructure and collaborate with the Kenya Women Financial Trust.
- **Educate Children:** 264 scholarships (including uniforms) given to primary, secondary and technical college students – mostly girls and orphans. 50 children provided with food and transport for music competitions. 3 school buildings improved by providing paint, desks and aluminum roofing.
- **Enhance Health for All:** Over 1,500 children sleep protected under nets provided by OFDC. Over 1,000 children have access to improved sanitation at their school from OFDC funding of 19 latrines (labor provided by parents). Over 1,500 children have access to clean water from OFDC funding of 3 wells (labor provided by parents). 500 fed for a week during the chaos following the 2007 elections. 410 malaria treatments given to sick children.
