

Opportunity Fund for Developing Countries

2009 Annual Report

WHO? Our Mission: OFDC, a grassroots, volunteer-powered organization, empowers women through microcredit and training, educates children through school sponsorship and supplies, and enhances health for all through distribution of mosquito nets, and funds for the building of latrines, and water wells and catchments - all through village collaborative programs that are culturally sensitive.

WHY? Consider these statistics from the United Nations Development Program:

- 1 out of 3 people in the world lack basic sanitation
- 1 out of 6 people in the world cannot write their own name
- 1 out of 6 people in the world live on less than \$1 a day
- 1 out of 6 people in the world do not have access to clean water
- Every 30 seconds a child in Africa dies from malaria

WHAT/WHERE/WHEN/HOW? OFDC 2009 accomplishments in Kenya:

- **Empower Women:** 1,026 women, many of whom are illiterate, received training in basic health, HIV/AIDS awareness & women’s rights under Kenyan law. 6 microcredit loans given to rural, impoverished women. 1 disabled woman provided with leg braces so she can work her small business.
- **Educate Children:** 298 scholarships (including uniforms) given to primary, secondary and technical college students – mostly girls & AIDS orphans. 500 children given music competition certificates. 9 schools assisted with improvements including desks, water wells & latrines.
- **Enhance Health for All:** Over 1,500 children sleep protected under nets provided by OFDC. Over 180 children have improved sanitation at their school due to OFDC funding 3 latrines (labor provided by parents). Over 2,400 children have access to clean water from 4 OFDC funded wells (labor provided by parents). 600 fed for a week due to food shortages caused from Kenya’s worse drought in 10 years. Various health clinics were assisted with structural improvements & supplies.
