

# 2010 Annual Report

Opportunity Fund for Developing Countries

**WHO? Our Mission:** Grassroots and volunteer-powered, OFDC empowers women with microcredit and training, educates children with school sponsorship and supplies, and enhances health for all with the distribution of mosquito nets, and funding water wells and latrines. Our model is mutual collaboration – dedicated, skilled and heart-felt volunteers from both sides of the ocean learning from each other.

**WHY? Consider these statistics from the United Nations Development Program:**

- 1 out of 3 people in the world lack basic sanitation
- 1 out of 6 people in the world cannot write their own name
- 1 out of 6 people in the world live on less than \$1 a day
- 1 out of 6 people in the world do not have access to clean water
- Every 30 seconds a child in Africa dies from malaria

**WHAT/WHERE/WHEN/HOW? OFDC puts your 2010 donations to work in Kenya:**

- **Empower Women:** 1,011 women, many of whom are illiterate, received training in basic health, HIV/AIDS awareness & women’s rights under Kenyan law. 20 microcredit loans given to rural, impoverished women, 1 of whom was disabled with polio as a child.
- **Educate Children:** 208 scholarships (including uniforms) given to primary, secondary and technical college students – mostly girls & AIDS orphans. 20 children given music lessons. 18 schools assisted with improvements including desks, water wells & latrines.
- **Enhance Health for All:** Over 1,350 children sleep protected under nets provided by OFDC. Over 2,400 children have improved sanitation at their school due to OFDC funding 39 latrines (labor provided by parents). Over 3,500 children have access to clean water from 7 OFDC funded wells (labor provided by parents). **Various** health clinics were assisted with structural improvements & supplies.
