Empower Women • Educate Children • Enhance Health for All

REASON TO
DONATE

Brighten a life this holiday season.

Give a gift in your name, family member or friend to someone less fortunate.

Brighten a life!

You empower women, educate children and enhance health for all.

Empower Women—Training & Village Saving & Loan (VSLA)

Four hundred and forty-two (442) women attended OFDC's training at Olmariko village. Mamas are taught basic health, HIV/AIDS awareness, simple business and their rights under Kenyan law.

The mamas are served tea and lunch (seen pictured here waiting in line). Their lunch includes goat meat, a rare treat for these impoverished women who seldom have a chance to eat meat.

Thank you for caring about these hard working mamas. ☀

Educate Children—School Uniforms & Desks

Your gift provides uniforms to children so they can attend school (uniforms are mandatory in Kenya).

Enhance Health for All—Mosquito Nets, Latrines & Water Wells

Tear-proof nets protect sleeping children from malaria-carrying mosquitoes.

Enkusero Primary School students and teachers have clean water because of your donation.

Report from the Field about Your Donations at Work

Scott Frost, OFDC board member, and his daughter Whitney traveled in Kenya for two weeks in October to verify that your donation was used as reported. They toured 15 OFDC project sites. Both commented on how a little goes a long way in making a difference to the lives of women and children living in the out-of-the way areas where OFDC focuses. Read more about their thoughts on our OFDC Facebook page and Blog. *Asante sana.* — Nia Z Sherar, Founder/Chair
